

Established in 2021, **Express Book Writing** has transformed from a modest traditional publishing company into a comprehensive one-stop-shop for all publishing and ghostwriting needs. With exponential growth, our team now consists of over 250 professionals, a significant increase from our humble beginnings with just ten individuals. We offer a wide range of services, including ghostwriting, social media marketing, SEO, book signings, print copies, ISBN assignment, Press Release Writing & Publishing, Wikipedia, author websites, and more.

Our commitment to staying at the forefront of the industry is reflected in our comprehensive suite of offerings. Our experienced ghostwriters breathe life into authors' ideas, while our strategic social media marketing ensures books reach the right audience. With our expertise in SEO, authors and their works gain visibility in the digital landscape. We also facilitate engaging book signings, produce high-quality print copies, secure ISBNs, and provide professional Press Release Writing & Publishing services. Additionally, we create Wikipedia pages and author websites to establish a strong online presence.

At **Express Book Writing**, we pride ourselves on being a reliable and innovative publishing partner. Our mission is to empower authors, publishers, and businesses by offering comprehensive solutions tailored to their needs. With our passion for literature and commitment to excellence, we continue to expand our services and seize new opportunities. Whether it's publishing a book or enhancing an author's online presence, we are dedicated to helping our clients navigate the ever-evolving publishing landscape and achieve their goals.

## Publishing Process

Once you enlist in our services, an exclusive team will be designated to oversee every facet of your publication journey. Your dedicated team will comprise the following experts:

- A Project Manager
- An Account Manager
- A Writer and Two Editors
- A Graphic Designer
- A Formatting Expert
- A Publication Expert

Your initial guide through this journey will be our Project Manager, who eagerly anticipates receiving your manuscript and ushering you into our creative fold. As your manuscript finds its home within our care, our process unfolds across six comprehensive phases.

**Phase 1: Proofreading & Editing:** Our accomplished production team takes the reins in Phase 1, meticulously proofreading and editing your manuscript to perfection. This pivotal stage ensures your work meets the highest standards, readying it for the forthcoming stages.

**Phase 2: Formatting:** Once Phase 1 is complete, Phase 2 sees your manuscript entrusted to our expert formatting department. Here, it undergoes a transformation into your chosen trim size for eBook, paperback, and hardcover editions. Our formatting experts work diligently to ensure your book is not just engaging but also effortlessly legible and accessible to your desired audience.

**Phase 3: Book Cover Design:** Phase 3 takes the spotlight with the introduction of our skilled Graphic Designer. They craft a captivating and resonant book cover design, capturing the essence of your narrative visually. This cover serves as a compelling gateway, inviting readers to embark on a journey through your words.

**Phase 4: Account Creation:** With the visual cornerstone set, Phase 4 transitions to the publishing realm. Our adept publishing department creates personalized accounts across the platforms in your chosen package. These accounts provide you with comprehensive access to your book's development and progress tracking, ensuring you remain in complete control.

**Phase 5: Publication:** Phase 5 sees the culmination of your book's journey as it takes its rightful place in the world. Our publishing team initiates the publication process on various platforms. A thoughtfully crafted synopsis graces the front, offering readers a tantalizing glimpse into your creation. Your book is prepared for publication in accordance with the specifications of your chosen package.

**Phase 6: Quality Assurance:** Feedback & Beyond: In the final phase, our diligent QA team undertakes a thorough review, ensuring your book adheres to the intended format and is free from errors. Our commitment to excellence is unwavering, and any detected discrepancies are swiftly addressed. Furthermore, our project management portal keeps you engaged throughout the process, offering a seamless feedback loop and a comprehensive view of the journey.

## **Book Distribution:**

Book distribution used to be a major stumbling block for self-published authors. They would spend weeks, months, even years writing their book. They would go through the editing, design, and the printing process—and then would have no way to get it into bookstores and libraries.

Now, indie publishers can receive the same book distribution channels available to major traditional publishers. Express Book Writing makes titles available to 50,000+ retailers, libraries, schools, and e-commerce companies including Amazon, Barnes & Noble, Indigo, Foyles, Waterstones, and more across the globe.

For more than 10 years, Express Book Writing has developed relationships and connections within the book industry to allow your book to be available to the masses. We have print facilities in the United States, United Kingdom, and Australia, and we have print channels in China, Germany, India, Italy, Poland, Russia, South Korea, Spain, and Brazil. By self-publishing with Express Book Writing, you're giving your book the best chance of reaching a global audience.

## Why Choose Express Book Writing?

**Express Book Writing** offers indie authors and publishers a comprehensive set of features. We provide professional print books (paperback and hardcover) and eBook creation, along with a global distribution network that reaches 40,000+ retailers and libraries worldwide, both online and in stores.

By choosing **Express Book Writing**, authors and publishers gain access to tailored services, ensuring industry-standard quality and wide market reach. It's a compelling option for indie authors and publishers seeking professional hybrid-publishing with broad market access.

Express Book Writing offers indie authors and publishers a host of exclusive benefits, including:

- 24/7 Customer Support
- Online Sales Reporting
- Free Publishing Tools and Resources
- Affordable Advertising Opportunities
- Discounts with Outside Experts

These advantages enhance the hybrid-publishing experience, providing authors with round-the-clock assistance, valuable sales insights, useful tools and resources, cost-effective advertising options, and discounted services from external experts. Express Book Writing is committed to supporting authors every step of the way.

Some hybrid-publishers may have specific goals of printing a limited number of copies without enabling distribution, and Express Book Writing can accommodate that. However, if your aim is to reach a wide audience, we offer the perfect solution.
